CERTIFICATE FOR BUILDING SAFETY

Ramakrishna Mission Vidyamandir Is Situated at the district katihar, Bihar
I certify that the existing building of the school(Block 1,2&3)
Are as per the norms of the structural safety.
Building are strong with sufficient staircases and it can cope up with the
Natural disasters e.g cyclone earthquake etc.

So, the said building are safe for students.

After my personal visit to the institution with the
Safety of the building.
